CG EXPERIENCE

Director/Writer, Ringling College of Art & Design, Sarasota, FL, — January 2022 - May 2023

- Directed and wrote the CG Animated Short Film, [Bear Hugs](#)- a 2 minute Thesis film about a teddy bear who is on a mission to get to a special someone for Christmas all while encountering people that want to have him along the way.
- Experienced a year and a half process consisting of Story Development, Visual Development, 3D modeling, Texturing, Animation, Lighting and Compositing, & Post Production.

3D Generalist, Ringling College of Art & Design, Sarasota, FL, — August 2019 - May 2022

As part of animation courses, produced 20-second shots to demonstrate weight, force, and character emotion:

- Designed characters and environments, planned animation with thumbnails and reference
- Modeled and textured characters, environments and props, lit scenes, animated pose-to-pose
- Developed a strong understanding of scene creation, topology, groom/hair creation and simulation, 3D material workflows, and creating stylistic or realistic textures

LEADERSHIP EXPERIENCE

Founder, Bear Hugs Inc. New Jersey, Delaware and Pennsylvania Area, — 2007 to Present

Co-Founded charity with mom and sister to deliver teddy bears to sick kids in the hospital during the holidays.

- Produced and distributed flyers to local companies, schools, and the community.
- Raised charitable funds by, running several pancake breakfasts and managing tents at a local Fall Fest.
- Distributed over 5,000 teddy bears to Nemours Children's Hospital, Delaware, Children's Hospital of Philadelphia, and the Martin Truex Jr. Pediatric Care Center at Southern Ocean Medical Center.

Directed a Short Documentary, Student Television Network, — November 2018- January 2019

Was 1 out of 5 regionally selected schools to produce a short documentary to show at STN's Film competition in Seattle, WA.

- Coordinated the interviewees, made sure they were comfortable as well as prepared before shooting.
- Script supervised, planned the shots and compositions, and wrote the voice over of the documentary.
- Edited the footage, created lower thirds and graphics.
